MIDDLE OF *everywhere* GEOTOUR

Full of history, culture, and recreational opportunities, Marion County really is the Middle of Everywhere!

From the rolling rapids of Valley Falls State Park to the Italian influence of local bakeries, there's so much to do while visiting the area.

We invite you to join us for the Middle of Everywhere GeoTour!

This officially registered tour highlights 16 of our favorite locations in the area, categorized by shops, history, murals, and parks!

The Middle of Everywhere GeoTour is comprised of four different categories with four caches each to highlight the historical, recreational, and colorful places that make Marion County great.

For more information about Marion County, please visit marioncvb.com.
